The Y is a not-for-profit health and human services organization committed to helping people grow in spirit, mind and body. With the Y’s focus on nurturing kids and teens, improving people’s health and well-being, and giving back and supporting our neighbors, your membership will bring about meaningful change in both your life and in your community. The YMCA believes that every person should have an opportunity to participate and pursue their own personal goals regardless of skill or financial level.

Because of our service and dedication to our community, we offer membership and program funding through donations, grants, and association earned income to those who request it within our available resources. The YMCA is community-based, and we believe that our programs and services should be available to everyone.

What is the YMCA Open Arms Scholarship Program?
The Open Arms Scholarship is a sliding scale based program designed to provide YMCA Membership services to any family, adult, youth or senior regardless of their ability to pay.

Determining assistance amounts is handled in a fair and consistent manner. Every YMCA member receives the same membership benefits, regardless of whether or not they receive a scholarship.

Is it possible to join the Y for free?
The Y believes a strong sense of ownership and pride is developed when the financial assistance recipient contributes to the cost of the their Y involvement. Therefore, applicants will be asked to pay a portion of the fee for the requested service.

What are the application deadlines:
Scholarships are awarded on the 1st and the 15th of each month. If you submit your application between the 1st and the 14th of the month, your membership will be approved for the 1st of the following month. If you submit your application between the 15th and 31st, your membership will be approved for the 15th of the following month.

If I receive financial assistance, what is expected of me?
- Upon approval, the YMCA will email scholarship applicants notifying the portion you will be asked to pay.
- Once you have received the email notification, you must come into the YMCA to accept the scholarship and make your first month’s payment to activate your Open Arms membership.
- All Open Arms Scholarships are granted for six months.
- The YMCA requests that individuals and families reapply biannually, with updated documentation.
- If you do not reapply at the time requested, your membership will expire.
- Membership fees are subject to change when you reapply.
