#### **POSITION SUMMARY:**

Youth Volunteer Corps (YVC) here at the Ann Arbor YMCA is looking to expand our capacity and connection with community partners by offering the chance for adult community members to lead passionate youth volunteers in engaging with and serving their community. YVC of Ann Arbor is part of an international network of programs that offers teens (ages 11-18) the opportunity to improve their world through volunteering. YVC mobilizes diverse groups of Youth Volunteers from across the community to engage in meaningful service-learning projects through collaboration with local non-profit agencies.

#### **RESPONSIBILITIES/ACTIVITIES:**

YVC Team Leader would act as the "link" or "bridge" between youth in Washtenaw County and new ways to engage with community. Due to the incredible volunteer base of YVC, our goal is to expand the possibility of projects as well as the number of projects available to volunteers. We look to do this by hiring on two adult team leaders to facilitate and lead YVC service projects in their community.
