

2017 DAY CAMP SCHOLARSHIP APPLICATION ANN ARBOR YMCA

The Y is a not-for-profit health and human services organization committed to helping people grow in spirit, mind and body. With the Y's focus on nurturing kids and teens, improving people's health and well-being, and giving back and supporting our neighbors. The YMCA believes that every person should have an opportunity to participate and pursue their own personal goals regardless of skill or financial level.

Important note regarding the process:

Because scholarships are awarded AFTER day camp registration begins, we reserve a number of spaces in every camp for scholarship campers. Due to this, once scholarships are awarded, it is first-come, first-serve in accepting the scholarships. The reserved spaces for scholarship campers WILL fill-up quickly! If a camp has filled its scholarship spaces, funds that you were awarded for that camp may be transferred to a different camp of interest.

How much will the scholarship cover?

Depending on provided income documentation and household situations, families may be awarded anywhere from a 10% to 80% discount for camp programs. No program may be discounted by more than 80%.

How many weeks of camp can I apply for?

In order to make sure our funding can reach as many families as possible, we ask that you please limit each request to no more than five full weeks of camp per child. We use a credit" system for selecting day camps. You are awarded five credits per child and each full week of camp will cost one credit, while half day camps will cost 0.5 credits. Please note that the use of credits does not constitute payment towards a session of camp. **Credits contain no monetary value, and additional payment will be expected after scholarships have been awarded.**

See "Selecting Camp Programs" page for more details.

Can I apply for more than one child?

Yes! Please submit one application (front and back) per child. One copy of acceptable income documentation is suitable for multiple campers in the same family. For examples of acceptable income documentation, please see box #4 on the general information page of the application.
