At the ANN ARBOR YMCA we care about the safety of our young members and guests. We have swim test procedures in place to help keep the children safe in the water.

Swim Test Policy
 The ANN ARBOR YMCA requires that all children 14 years of age or younger be swim tested before being permitted to use our lap pool. Once a swim test has been completed, the swimmer's name will be logged by the lifeguard and entered into our membership base. **During each YMCA visit, swimmers who have passed the test MUST pick up a GREEN wristband from the lifeguard office prior to entering the pool for the day.**

Lap Pool Swim Test– Jump into the deep end, swim 1 lap (50 yards), and tread water for 30 seconds. The swim must be a competitive stroke, in good form. "Doggie paddling" does not count. Swim tests are at the lifeguard's discretion. If for any reason the lifeguard feels a swimmer is unsafe, they may be asked to re-take the test. Anybody of ANY AGE can be asked to take the swim test for the safety of all patrons.

- Family Pool Open Swim Policy**
1. **All children ages 7 years–14 years of age who have not taken the swim test MUST wear a RED band at all open swim times while in the family pool.**
 2. All Children 6 years of age or younger must be accompanied in the water by a parent or guardian 16 years or older.
 3. Red bands are available on the pool deck.

Please return all bands to the pool deck or Member Services desk before leaving the building.

Life Jackets
 Only U.S. Coast Guard approved flotation devices are permitted during open swim. Life jackets are available at the Y if your child needs one, just ask.
