**THE ANN ARBOR YMCA** is a diverse association of men, women and children of all ages joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. We believe that lasting personal and social change can only come about when we all work to invest in our kids, our health and our neighbors. That’s why strengthening community is our cause.

Every day we work side by side with neighbors across Washtenaw County, providing programs and services for all people who desire to participate, regardless of their financial capacity. To do this we count on the generosity of our members and partners to keep our doors open through the Annual Campaign.

**MISSION**

Our mission is to put our core values of caring, honesty, respect and responsibility into action through facilities and programs that build a healthy spirit, mind and body for all.
