I am originally from Medellin, Colombia and emigrated to the United States in 2008. I graduated from Eastern Michigan University with a bachelor's degree in Nursing and I am currently working as an Oncology Nurse at Michigan Medicine. I am resident of Ypsilanti Township and love being part of this wonderful community! I live with my husband (Diego), our daughter (Abigail), and our dog (Brian). We got involved with Y because our daughter attends the Y Development Child Center in Ypsilanti.
