GIVE THE GIFT OF CAMP

At the Y, we believe that without belonging, our work to create a more just and inclusive community for all will never be realized. Our welcoming network of support helps people from all walks of life find the encouragement and tools they need to thrive not regardless of who they are, but because of who they are.

Through our 2023 Annual Campaign, you can help 2,300 families access the YMCA's life-changing programs and services in Washtenaw County and southern Livingston County. Every gift makes a difference and moves us closer to our goal of \$308,000.

Every day, the Y supports kids, adults and families who need us most with programs that protect, teach, connect, heal, nourish and encourage. It's how we empower communities and the "us" who live in them to realize their incredible possibilities and full potential. We can't do it alone. We count on the generosity of our donors to make a better us possible. Every dollar donated stays local and helps address our community's most critical needs.

Please consider making a tax-deductible charitable contribution to our Annual Campaign to help send a child to camp. When you give to the Y, you strengthen your community. To donate, click [here](#).
