# MEET OUR TEAM

**Chris Deary | he/him**

Hi, I'm the Regional Director of Youth Development—Sports & Recreation and the self-proclaimed Cookie Monster. I LOVE cookies.

When I'm not at camp, I'm usually golfing or searching for the next vinyl record to join my collection.

I have quite the collection of baseball cards and an unhealthy obsession with the band Pearl Jam. I love movies and I think Die Hard is the greatest Christmas movie of all time. Convince me otherwise—I dare you!

**Emma Roeder | they/them**

Hello! I'm the Director of Camp and Outdoor Education. I've lived in Michigan for about four years and I moved here to pursue a Master's in Community Education.

This will be my second summer and I'm having a blast getting to share my love of outdoors with our campers.

I love the Great British Bake Off and all things baking. I make comics and zines about my perfect cat Mr. Noodles.

**Kyla Hartwell | she/her**

Hey! I'm the Director of Youth Development—Out of School Time. I got my start in camp as a camp counselor and I have been working in camps for 5 years now.

I'm also a French fries connoisseur and Five Guys' fries are, no doubt, the best fries! I love the color purple and I am a huge fan of scary movies.

At the end of day at camp, I'd love to snuggle up with a dog, but I'm allergic, so send me all the dog pics!

**Quentin Francis | he/him**

Hey everyone, I'm the Director of Youth Development—Teen & Advocacy here at the Y and this will be my third summer with camps.

I'm passionate about learning and teaching how education and youth development intersect with other social issues.

I'm definitely the office DJ and keep J.Cole on repeat. Outside of work I really enjoy music, sports and fashion.

**WE HOPE YOU'LL  
JOIN US FOR  
SUMMER 2024!**

**Kyandé Sanders | she/her**

Hi there! I'm the Regional Director of Youth Development—Youth & Teens.

I'm a Golden Girls aficionado, I love salsa dancing, playing my guitar, and karaoke in the car is my jam.

I love, love, love trying foods and I also love a good food debate, so answer me this—Is a Pop Tart a type of ravioli and is pizza a type of toast?

### What was the biggest win for you at camp?

"Honestly, I think just feeling accepted and valued by other counselors and the kids. I was nervous to come back to work with children after more than a year away, and it was nice to immediately feel like I belonged."

### What is your favorite part of camp?

"Getting to work with all my best friends and seeing the kids from previous summers come back. It is always so nice to see how things have changed for the kids in the past few years when I see them from summer to summer."

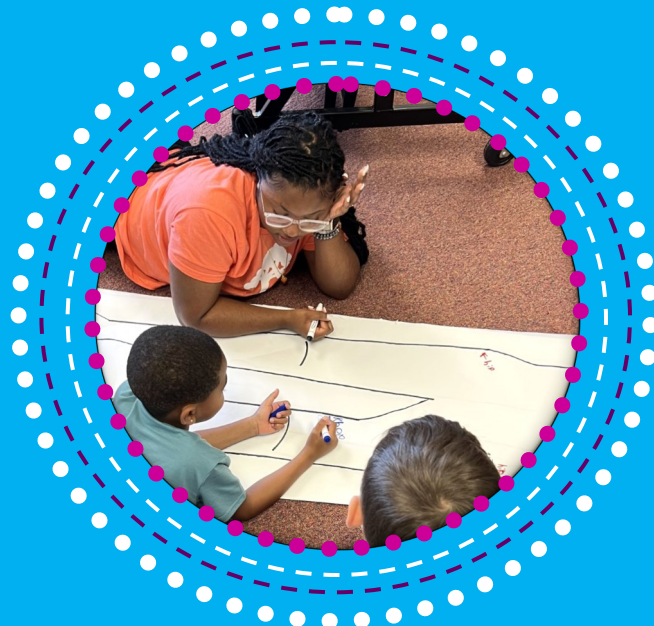

– Sarah, Camp Birkett Program Coordinator

### Why should someone join the day camp team?

"You should join the camp team because it's a great opportunity to reconnect with your inner child. It is also a chance to learn more about yourself as you connect with the children."

– Anea, Camp Greenhills Inclusion Specialist

# APPLY TO JOIN OUR COUNSELOR-IN-TRAINING (CIT) PROGRAM!

## Are you ready to make the transition from camper to volunteer counselor?

The Counselor-in-Training (CIT) program offers individuals valuable opportunities to interact with children, lead activities and participate in camp programs. CITs fulfill many different roles throughout the course of the summer while learning the skills required to become a counselor. CITs must have a sincere desire to work with children, a wish to give back to the camp community, a strong work ethic, lots of energy and creativity, a positive attitude and the ability to put children's needs ahead of their own. The objective of the CIT program is to better prepare the participants for future work with children, in or out of the camp setting. This is done through hands-on experience, guidance from staff members and pre-camp training.

## WHAT TO EXPECT

CITs should expect to be engaged and present with campers at all times. This is a transition time. Participants are no longer campers and must be willing to be a role model, placing camper needs above their own. During the day, CITs will learn how to run various camp activities and teach new skills to campers. They will assist counselors in implementing camp activities and programs throughout the day. CITs receive tangible work skills as well as valuable leadership experience as they learn and adapt to their new role at the YMCA.

If accepted into the CIT program, all CITs must attend training and complete any pre-work. CITs will select 2 weeks (minimum) to assist Day Camp Staff in a variety of different ways. All Staff will be familiar with the roles and tasks expected from CITs. During your time as a CIT you will be asked to perform a variety of tasks designed to expose you to the daily responsibilities of a camp counselor. As a volunteer you are agreeing to be taken through these activities and are expected to participate. Primary responsibilities include serving as a positive youth development role model through active engagement in activities,
