

FACILITY IMPROVEMENT AND REFRESH WEEK

Your experience matters to the Ann Arbor YMCA. In order to make necessary upgrades and improvements, our downtown facility will be undergoing a **temporary closure beginning Mon, August 25 and reopening on Tues, Sept 2**. We have arranged for our members to use the Meri Lou Murray Recreation Center for indoor fitness (gymnasium, track, weights, cardio). The Ann Arbor YMCA will cover our members' cost to use the City of Ann Arbor's Fuller Pool. Your Y membership also includes access to Y360 (virtual workouts and wellness) and Nationwide Access at other participating YMCA locations.

How does this affect my visit?

From Monday, August 25, to Monday, September 1, no community members will be able to access the Ann Arbor YMCA facility as we undergo repairs. It's important to us that members of our community have access to wellness and recreation during this time. Therefore, we have arranged for multiple locations for our members to utilize during this closure to avoid interruptions in service.
