GIVE THE GIFT OF CAMP

At the Y, we believe in establishing a strong sense of belonging to create a more just and inclusive community for all. Our organization helps people from all walks of life to find the encouragement and tools they need to thrive.

Every day, the Y supports youth, adults and families with programs that teach, connect, heal, nourish and encourage by providing scholarships for healthy living programs, camps, memberships and childcare. We empower our community and those who live in it to realize their possibilities and potential. We cannot do it alone. We count on the generosity of our donors to make these opportunities like these available and strengthen our community. Every dollar donated stays local and helps address our community's needs.

Please consider making a tax-deductible charitable contribution to our Annual Campaign to help expand access to summer day camp programming. When you give to the Y, you strengthen your community. Registrants have the opportunity to donate during the time of registration. To donate, click [here](#).
