

Sample Message:

Dear [Senator/Representative Last Name],

As a member of the Ann Arbor YMCA, I support the continuation of 32n grant funding. This funding makes it possible to provide safe, enriching, and educational experiences for Michigan youth.

[If applicable, insert your own personal experience here.]

Please continue to invest in Michigan's youth—and in the infrastructure that supports them—by protecting and expanding 32n funding.

Sincerely,

[Your Name]

[Your City]
