GIVE THE GIFT OF CAMP

At the Y, we believe in creating a strong community by building belonging for all. By bringing together people from all walks of life, we help one another find the tools to thrive.

Every day, the Y supports youth, adults, and families with programs that teach, connect, and encourage by providing scholarships for healthy living programs, camps, memberships, and childcare. We empower our community to realize their possibilities and potential. We cannot do it alone. We count on the generosity of our donors to make these opportunities like these available and strengthen our community. Every dollar donated stays local and helps address our community's needs.

Please consider making a tax-deductible charitable contribution to our Annual Campaign to help expand access to summer day camp programming. When you give to the Y, you strengthen your community. Registrants have the opportunity to donate during registration. To donate, click [here](#).
